What is this product?

Type

This is an investment fund established as an Irish Collective Asset- Management Vehicle (ICAV).

Objectives

Investment objective The Fund aims to outperform the MSCI World Small Cap Net Index over the long term (typically 5-7 years).

Investment policies The Fund aims to achieve its investment objective by investing in a number of global equity securities (approximately 25 to 40 at any time) in developed markets. The Fund may hold up to 10% of its Net Asset Value in unlisted securities.

The Fund will hold no more than 10% of its Net Asset Value in each individual issuer.

There is no geographical focus in respect of any category of investment by the Fund.

Investments will not be made by reference to any benchmark or index or limited to any particular industry or sector and will be chosen based on the Investment Selection Process.

Please see the sections entitled Investment Objective, Investment Policies and Investment Restrictions of the Prospectus where full details are disclosed.

Benchmark The Fund's performance is compared with the return achieved by the MSCI World Small Cap Net Index. The Fund is actively managed, and the Investment Manager is not constrained in any way by the composition of the chosen Index when selecting securities for investment. The Index is not used as an input in the investment process.

SFDR Article 6.

Redemption and Dealing You can buy or sell shares on demand every Business Day in Ireland and Toronto, Canada subject to the terms set out in the section entitled Key Information for Purchasing and Repurchasing of the Fund's Supplement (which together with the prospectus constitutes the Prospectus).

Distribution policy Shares in this share class are accumulating, voting shares. Accordingly, income and capital gains arising in respect of the share class will be re-invested and reflected in the Net Asset Value per Share of the Share Class.

Launch date The fund was launched on 2025-04-01. This EUR C Accumulating was launched on 2026-01-26.

Fund Currency The base currency of the Fund is USD. This Share class is in EUR.

Conversion of units/shares You may be able to convert some or all of your shares into other shares, subject to your eligibility and by giving prior notification. More specific information about the other share classes of the Fund is available in the Prospectus. Information on the specific classes available for sale in your particular jurisdiction/residence is available from your financial advisor.

Asset segregation An ICAV is an umbrella open-ended investment vehicle with variable capital and segregated liability between its sub-funds. This means that investors have no claims over the assets of a sub-fund in which they do not own shares. This document describes a share class of a sub-fund of the ICAV and the Prospectus and periodic reports are prepared for the entire ICAV. A Supplement is prepared for each sub-fund.

Sustainability policy Sustainability Risk considerations are integrated into the investment process through in-depth fundamental research of a company's value proposition. Each investment opportunity is assessed on a case-by-case basis by the Investment Manager based on the assessment of Sustainability Risks.

Derivatives policy The Fund does not intend to use derivatives to provide a leverage exposure to underlying assets and the global exposure of the Fund through the use of derivatives is limited to 50% of the Net Asset Value of the Fund.

Intended retail investor The Fund is suitable for investors with an investment horizon of 5 to 7 years who are seeking capital growth. Investors should be seeking exposure to global smaller companies and be willing to accept shorter-term fluctuations in price typically associated with such investments.

Term The Fund is open-ended and has no maturity date. Subject to the liquidation, dissolution and termination rights of the board of the Fund as set forth in the Fund prospectus, the Fund cannot be automatically terminated. The PRIIP Manufacturer, Waystone Management Company (IE) Limited, is not entitled to terminate the product unilaterally.

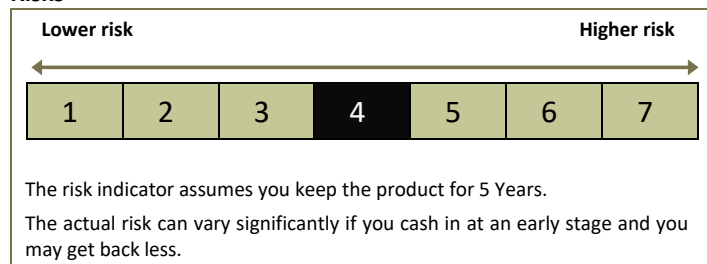

Practical information

Depository The Depository is State Street Custodial Services (Ireland) Limited.

What happens if Waystone Management Company (IE) Limited is unable to pay out?

The Management Company has no obligation to pay out since the Fund design does not contemplate any such payment being made. You are not covered by any national compensation scheme. To protect you, the assets are held with a separate company, a depositary. Should the Fund default, the depositary would liquidate the investments and distribute the proceeds to the investors. In the worst case, however, you could lose your entire investment.

What are the costs?

The person advising on or selling you this product may charge you other costs. If so, this person will provide you with information about these costs and how they affect your investment.

Costs over time

The tables show the amounts that are taken from your investment to cover different types of costs. These amounts depend on how much you invest, how long you hold the product. The amounts shown here are illustrations based on an example investment amount and different possible investment periods.

We have assumed:

- in the first year you would get back the amount that you invested (0% annual return). For the other holding periods we have assumed the product performs as shown in the moderate scenario,
- EUR 10 000 is invested.
